2024 FY BUDGET

- Budget items were discussed line by line and the Council determined what would be a reasonable amount to spend on each item and for each department. Since the grant for the library addition has not yet been awarded but will be awarded prior to the publication deadline, it was determined that the Council would establish two budget figures – one to include funds for building the library addition and one in the event we are not awarded the grant.

She also proposed that in the event we are not awarded the grant for the library, the budget for FY 2024 be set at \$583,152.
